Faith, Freedom and Selfhood

A STUDY IN
PERSONAL DYNAMICS
by Charles R. Stinnette, Jr.

"A BRILLIANT minister brilliantly reveals how those very people who feel 'manipulated' can attain true freedom. And he demonstrates that this can be better done with the help of an understanding minister than by those who work only with the abnormal. He uses illustrations that enable you to see deep into the hearts and minds of your parishioners; what you *will* find diagnosed here is a malady of our time — a time when people are leading what a poet called "lives of quiet desperation." Dr. Stinnette shows how you can lead some of these people into true freedom." —*Pastoral Psychology Book Club Preview*
